Tuesday November 17, 2009

6:00 PM to 8:00 PM

Papa Razzi

16 Washington Street Wellesley, MA (781) 235-4747

The evening promises to be a lively and practical discussion about what career opportunities exist in Health IT and will feature individuals from various segments of the industry talking about their experiences and sharing their insights. As this event is not designed as a Career Fair, we expect that both those seeking jobs as well as those just interested in understanding about other career paths will attend (i.e. Your boss shouldn't be upset if they find out you went).

Joining us for this evening will be the following panelists:

Janielle Newland, Director of Human Resources, Beacon Partners (*Moderator, Representing HR*)

Richard Kubica, CTO, Hartford Hospital (*Representing Provider Organizations*)

Jennifer Fortin, VP Sales, Infinity Healthcare Solutions (*Representing Vendor Organizations*)

Chris Carnell, Director of Allscripts Consulting Practice, Culbert Healthcare Solutions (*Representing Consulting Organizations*)

TBD (*Representing Payer Organizations*)

The format of the evening will be as follows (times are approximate):

6:15-6:30: Stand-up Networking - a brief "who's who" - a chance to introduce yourself and learn who else is in attendance

6:30-6:50: Introductory remarks by Panelists

6:50-7:30: Audience Q&A

7:30-8:15: Break out into different groups - Individual discussions led by each of the panelists
